

Arts and Crafts Metalwork and Applied Art / Thursday, 17th April 2025 / Lot 2365

LOT 2365

A late Victorian pottery wall bracket, the hemispherical top above a ram's head, flanked by a pair of scrolls, covered in a blue/green glaze, unmarked, height 25cm.

Estimate: £40 - £60

Condition Report

In good condition overall with no restoration.

Overall fine crazing to the glaze.

The upper flat surface has patchy glazing - a manufacturing issue - please see image 9 on our website.

There are a few firing cracks amidst the moulding, again a manufacturing issue, but they are negligible.

There are a couple of minor glaze chips/flakes to the lower terminal - please see image 12 on our website using the zoom function.
