LOT 2180

A late George III provincial oak dresser base with overall crossbanded borders, with fluted corners and turned legs, height 86cm, width 233cm, depth 53cm.

Estimate: £200 - £400

Condition Report

2180. The top has a fairly large gap between the timbers, as well as a thin strip of rebate at the rear where a plate rack would have sat. Timbers also gapping on sides. Some damage and loss to cock beading around drawers. Handles have been changed and there are old filled-in holes in the drawer fronts. Drawers run ok but not quite smoothly. Otherwise generally in good order commensurate with its age.
