LOT 2114

A set of six Regency ebonized dining chairs with gilt metal shell mounts and caned seats, on sabre legs, height 84cm, width 45cm, together with a William IV rosewood circular loo table (faults).

Estimate: £70 - £100

Condition Report

2114. Overall surface wear and distressing to painted surface. All quite sturdy but with old historic woodworm through the set. A few small breaks to caning on two of the chairs, and a few re-glued brass mounts.
