

LOT 2570

After Augustin Pajou - a late 19th century Sèvres porcelain head and shoulders portrait bust of Marie Antoinette, height 61cm (faults), together with a 20th century plaster bust of Madam du Barry, after Pajou, height 72cm.

Estimate: £80 - £120

Condition Report

2570. Marie Antoinette - hairline star crack to her left cheek, one of the three cracks running down the left side of her neck to her dress. Chips to the corners and edges of the base and above the socle at the joint. Some overall surface dirt.

The larger bust has areas of surface deterioration and loss, as well as some surface paint flaking off.
