

LOT 2585

A mid-20th century French child's aluminium cooking set, comprising kettle, five saucepans, three shallow twin-handled pans, a twin-handled cooking pot and cover, a milk churn and cover, a strainer, a ladle and a skimmer (playwear and some faults).

Estimate: £50 - £80

Condition Report

2585. There is overall general playwear with a few misshapen handles and minor dents. Also, one of the handles on the circular two-handled pans is detached and missing its retaining nut. The largest saucepan is 4.5cm high and 9cm in diameter.
