

Collectors' Items, Works of Art and Light Fittings / Thursday, 17th April 2025 / Lot 2538

LOT 2538

A late 19th century Swiss music box, the lever-wind movement playing eight airs on a 15.5cm cylinder and three bells, the tune sheet numbered '21443', width of case 41cm.

Estimate: £150 - £250

Condition Report

2538. Does not seem to lock into the 'Play' position, so will play one tune and then stop. Otherwise, appears to be in working order with cylinder turning and bells operating. Probably overhauled and restored within the last 20 years and kept in good clean condition.

Case also in well restored condition. All teeth on comb are ok.
