A Royal Crown Derby Royal Antoinette pattern part service, comprising a platter length 38cm, eleven dinner plates 26cm diameter, twelve dessert plates 20.5cm diameter, eleven tea plates 16cm diameter, two oval tureens and covers, sauceboat and stand, two cake plates, twelve two-handled soup bowls and stands, twelve teacups and eleven saucers, thirteen coffee cans and saucers, teapot and cover, coffee pot and cover, hot water pot and cover, milk jug, cream jug and a sucrier and cover.

Estimate: £300 - £500

Condition Report

The service is in very good condition overall with no damage or repairs.

It is first quality.

I would suggest it has been used only on high days and holidays.

The gilding and enamels remain bright and strong with no signs of wear.

The only issues are the sauceboat stand is crazed as is one of the 16cm tea plates.
