LOT 1450

A Newlyn Troika Pottery Coffin vase, 1976-81, decorated by Louise Jinks, monogrammed, black painted mark and monogram to base, height 17cm.

Estimate: £70 - £100

Condition Report

Image one on our website shows a side of the vase with a large cream circle beneath two smaller circles. The larger cream circle has some indistinct chipping along its side edge around 9 o'clock - because of the nature of the potting this is not immediately noticeable as it is disguised by the textured surface of the pot. Otherwise the vase is in good condition with no damage or repairs.
