LOT 1510

A Royal Doulton figure The Bather, HN687, green printed, painted and impressed marks to base, height 20cm.

Estimate: £150 - £250

Condition Report

There is some professional restoration to the back of the robe - very well executed and only noticeable using a UV light - it is probably covering a haircrack.

There is a small U-shaped haircrack to the front of the torso just above the waist, only noticeable on closer inspection as it disappears amidst the fine crazing which is present on the figure overall.

Otherwise ok.
