

Collectors' Items, Works of Art and Light Fittings / Thursday, 15th May 2025 / Lot 2511

LOT 2511

An early 20th century Austrian cold painted cast bronze model of a budgerigar, raised on a shaped pale green onyx dished base, total width 18cm.

Estimate: £150 - £250

Condition Report

2511. Chip to the paint on the back of the bird, and there are a few other small imperfections, but otherwise there are not breaks or splits. Some minor discolouration to breast area and upper rear leg.
