LOT 602

A gold and citrine single stone bar brooch, detailed '9ct', weight 2.8g, width 5.5cm, cased, a pair of marcasite set pendant earclips, length 3.7cm, cased, and an opal three stone set pendant brooch in the form of a scorpion, length 6.5cm

Estimate: £70 - £90

Condition Report

602. Citrine bar brooch - generally good condition with no significant damage or repairs. Typical light surface scratches and wear. Citrine with surface reaching inclusion to centre of stone. Leather case in generally good order, typical scuffs.

Marcasite earrings - generally good condition, typical surface scratches and wear. One cut steel missing. Case in good order, slight staining to interior.

Scorpion brooch - generally ok, but bottom opal is a slightly different colour so does not match the other two. Otherwise no significant damage and typical light surface scratches and wear.
