LOT 1202

An early 20th century walnut cased barograph with gilt lacquered brass mechanism and clockwork recording drum, all beneath a bevelled five glass removable cover, the moulded rectangular base with frieze drawer, length 37cm.

Estimate: £100 - £150

Condition Report

1202 - Generally condition is a little tired, dusty and in need of a bit of attention. Glazed case is ok but is a little wobbly with a small split to one corner. Mechanism a little dusty and dirty. The movement does not wind or run. Base and drawer ok with just typical surface scratches and wear. No graphs with the barograph.
