Condition Report

1117. PART CONDITION REPORT - if you require information on any of the other items in the Lot, please request this.

The Seiko chronograph is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch. It adjusts smoothly and buttons operating chrono features working as they should. Please note the watch does not have an alarm or date function. The watch is in generally good clean condition with only typical minor surface scratches and wear. Bracelet good and clasp in working order. The bracelet is set at approx 15cm long, so with the length of the watch it would fit a wrist approx 19cm.
