Condition Report

1110 - The watch winds and adjusts smoothly and is currently running but please be aware we give no guarantees to working order or reliability of any clock or watch.

The minute chrono feature is working as it should, indicator click across and both buttons to start, stop and reset in good working order.

Case with typical surface scratches and wear, it is obviously missing its bezel. Glass/crystal has cracks and chips are 3/4 o'clock and at 9 o'clock.

Dial generally good with some minor marks to luminous markers and some other minor dirt specks.
