

Clocks and Barometers / Thursday, 22nd May 2025 / Lot 1176

LOT 1176

A late 18th century and later oak longcase clock with eight day movement striking on gongs, the 12-inch brass breakarch dial with silvered boss to the arch above a silvered chapter ring, inscribed 'Fr Stockton Yarm', framed and engraved foliate centre and date aperture, the later oak case with carved decoration, on bracket feet, height 222.5cm, with pendulum and two weights (alterations).

Estimate: £100 - £150

Condition Report

1176. Cosmetically the clock is in fairly good condition, if a little dirty and dusty.

There is a vertical split to the base.

There have been alterations to the movement with it now striking on gongs rather than a bell.

The movement is dirty and we would suggest a service/overhaul to movement would be required to return it to working condition.

All parts are present, but
