LOT 2125

A Prince of Wales Investiture chair, designed by Lord Snowdon for the investiture of Prince Charles on 1st July 1969 at Caernarfon Castle, the beech and plywood frame stained in vermillion red, the back embossed with a Prince of Wales feather motif in gold leaf, height 78cm, width 57cm, depth 57cm, together with a matching cushion and related ephemera.

Estimate: £300 - £500

Condition Report

2125. The condition is very good with only a few very minor surface marks to the legs. The seat is very slightly dusty and you can feel the interior foam of the cushion has typically hardened in areas. Otherwise very well looked after.
