LOT 2313

A mid-20th century McMurdo 'Aquarium' table lighter, similar to those made by Dunhill, the single curve-end lucite casing enclosing three fish, maker's mark to underside, width 9cm.

Estimate: £500 - £800

Condition Report

2313. The general condition is ok, with some scratching to the metalware. However, on closer inspection we feel there is an end panel of lucite missing. It is all quite well finished on that end, but it does look odd and the edges of the lucite are not polished where the other piece should be.
