LOT 2311

A 19th century French Palais-Royal gilt metal mounted sewing nécessaire, formed as two books, detailed to the front 'Souvenir', the lid interior fitted with a mirror, the mostly mother-of-pearl fittings comprising a needle case, a thimble, a pair of scissors, a needle work spike, a glass scent bottle, a cotton threader and two needles, the majority bearing the enamelled pansy mark, length of case 10.5cm.

Estimate: £100 - £150

Condition Report

2311. Scissors have some minor rust to blades and are missing two of the pansy panels to one side.

Spike has some minor rust and is missing its pansy plaque.

Some wear and rust marks to the inside of the case. Some dents to the corners of the case and some light surface rust to cover.
