LOT 2329

A kit-built 1:8 scale model of a 1934 Rolls-Royce Torpedo Cabriolet Phantom II by Pocher, length of model 69cm, within a glazed case with oak plinth, total length 78cm, together with original kit instruction booklet.

Estimate: £200 - £400

Condition Report

2329. There are a few of the small R.R. badges that have come loose, but the car has basically sat within its case for its entire life, so is in generally good order.
