LOT 2012

An early/mid-20th century Italian carved giltwood rectangular wall mirror with a finely worked foliate scroll frame, 122cm x 88cm.

Estimate: £120 - £180

Condition Report

2012. Three pieces of frame are detached, but with quite clean breaks so should be easily restored. Otherwise there are some areas of loss to the gilt as well as some areas of re-touching.

An overall light clouding to plate, a few small areas of loss to the mirroring and a few scratches to the right side area of the glass.
