LOT 607

A gold and opal single stone ring, collet set with a large oval opal within a ropetwist surround, detailed '9ct', weight 4.6g, ring size approx L1/2.

Estimate: £100 - £120

Condition Report

607. Generally the ring is in good condition with no visible chips or cracks. Typical light surface scratches and wear, but no significant damage. Some of the dirt to the back cleans away, but there is glue residue to each end where the stone has been fixed in place and it is now securely set.
