LOT 2815

A Kirghiz woven yurt band, Karakuli Lake, near Kashgar, Xinjiang Province, China, the long flatweave band worked with hooked and stepped motifs, on a striped red and black ground, length 10m, width 41cm.

Estimate: £80 - £120

Condition Report

2815. One larger area of damage to one edge and a length of replaced border edging. There are a few small spots of loss to the edges that may be moth, but otherwise nothing else in terms of moth damage. One end is not finished and is just a frayed edge. Otherwise overall condition of most of it is quite good.
