LOT 685

A single row necklace of graduated opal beads on a boltring clasp, length 39cm.

Estimate: £80 - £120

Condition Report

Largest bead diameter - 11.3mm

Smallest bead diameter - 5.7mm

Several beads have nibbles or small chips to the drill holes.

Two beads have sizeable chips to them. The largest bead has a few chips to it, now filled with dirt.

No obvious crazing/cracking to the beads.

There is the remains of a loop near the clasp, perhaps for a safety chain.

The gilt wire securing the cord is beginning to loosen at one end.

Total weight 20.3g.
