

Firearms and Edged Weapons / Wed, 13th August 2025 / Lot 4006

### LOT 4006

A late 19th century Snider-Enfield artillery carbine with front and rear-sighted barrel, barrel length 55cm, lock with crowned 'VR' cypher and lock percussion action, marked 'Tower', full-stocked with brass furniture and pull-out steel cleaning rod, with associated canvas sling.

Estimate: £150 - £250

---

### Condition Report

4006. Overall pretty honest gun.  
Trap door sticky with some wear and splitting caused by roll over.  
Light general bruising to wood work throughout.  
Evidence of old cleaned light rust.  
1 pin lacking from stock.  
Action tight half and full cocks.  
Associated strap.
