

Firearms and Edged Weapons / Wed, 13th August 2025 / Lot 4110

### LOT 4110

A 19th century Afghan flintlock jezail or long rifle with front and rear sighted octagonal welded steel barrel, barrel length 114cm, shaped line border engraved lock with East India Company mark and indistinctly dated '1815', full-stocked with profuse all-over inlaid mother-of-pearl and shell geometric decoration, brass furniture and pull-out steel ramrod.

Estimate: £60 - £100

---

### Condition Report

4110. The gun has typically had quite a lot of repair and probably alteration in its life.

The decoration to the stock has suffered with loss and damage.

Evidence of old/current cleaning.

Probably heavily rusted in places and cleaned back.

Action defective.

Purely a decorative gun and would need considerable work to get back to a good standard.
