

Firearms and Edged Weapons / Wed, 13th August 2025 / Lot 4010

LOT 4010

A mid-19th century J.R. Cooper patent six-shot percussion pepperbox revolver with fluted steel barrels, barrel length 7.5cm, lock with all-over finely engraved foliate decoration, ring-trigger action and walnut plate grips (action part-defective).

Estimate: £200 - £300

Condition Report

4010. Overall looks fairly honest throughout with a nice patina. Some discolouration and evidence of minor rust in places. Action part works but is defective.
