

Firearms and Edged Weapons / Wed, 13th August 2025 / Lot 4011

### LOT 4011

A late 18th century flintlock pocket pistol by Mortimer, London, with turn-off steel barrel, barrel length 2.7cm, box shaped lock, engraved with trophies of arms and foliate designs, sliding safety, spring-loaded trigger and wood grip.

Estimate: £80 - £120

---

### Condition Report

4011. Evidence of old rust in places, mor around barrel area.

Action works, but sloppy.

No evidence of anything that is not original.
