

Firearms and Edged Weapons / Wed, 13th August 2025 / Lot 4073

### LOT 4073

An early 19th century French model An XIII flintlock cavalry pistol with steel barrel, barrel length 20cm, the lock marked 'St Etienne', full-stocked in walnut with brass furniture and pull-out steel ramrod.

Estimate: £150 - £250

---

### Condition Report

4073 - Gun action is good and tight, works at half and full cock positions. Has been restored at some point, evidence of old light cleaning but now toning out. Pin like piece lacking from body. Hole mark/defect to butt area just above brass work to both sides.
