LOT 2100

A set of seven mid/late 20th century Danish oak framed 'model 75' dining chairs, designed by Niels Otto Møller for J.L. Møller, comprising two carvers, height 77cm, width 57cm, and five standards, height 76cm, width 50cm, branded marks to seat rails, together with an associated oak extending dining table.

Estimate: £500 - £800

Condition Report

2100. One of the carvers has damage and loss to the string seat at the front, but the rest of the chairs are in good order, with a few minor stains to seats. Structurally sound.
