LOT 2570

A 19th century French gilt brass six-light chandelier with spiral twisted supports and scrolling leaf mounts, fitted with frosted glass shades, height 104cm, width 55cm (some faults to shades).

Condition Report

2570. There is a crack in one shade and some small chips to a few edges of the shades. Otherwise the light appears to be in fair condition, but would benefit from a clean.
