### LOT 2344

An early 20th century Egyptian white metal and enamelled novelty propelling pencil in the form of a pharaoh, length 8.8cm, another similar gilt metal example and a pendant charm in the form of a sarcophagus.

Estimate: £80 - £120

---

### Condition Report

2344. Both pencils are ok with very little damage, however the pencil nib of the gilt example does not pop out how it should. Otherwise some minor surface wear and a few marks.

The pendant latch is loose and does not clip closed properly.
