LOT 1669

A Moorcroft Pottery flambé glazed Eventide pattern footed bowl, circa 1925, impressed marks to base with remains of original paper label, diameter 17.5cm.

Estimate: £500 - £700

Condition Report

In good condition overall with no cracks, chips or restoration.

There is overall crazing to the glaze and scratching to the base interior and to a lesser extent the exterior on the widest part of the body.

There are some glaze blemishes as a result of the manufacturing process - e.g., an approx 4cm long horizontal unglazed narrow line at the stem of the foot, hardly noticeable apart from on VERY close inspection.
