LOT 1704

A Royal Doulton Kingsware glaze large McCallum character jug, modelled as the head of a bearded gentleman, black printed mark to base, height 16cm.

Estimate: £100 - £150

Condition Report

There is crazing to the glaze and a pinhead sized dig to the glaze of the side of the handle - inconsequential. Otherwise in good condition overall with no damage or restoration.

There is a manufacturing flaw to the word McCallum around the right side of the jug - basically there is a horizontal line running from the end of the first 'L' through the bottom of the remaining letters in the word - please see image 4 on our website which shows this.
