LOT 1654

A Newlyn Troika Pottery rectangle vase, 1976-83, decorated by Alison Brigden, monogrammed, black painted marks to base, height 21.3cm, together with a Troika Pottery mug, height 11.5cm.

Estimate: £150 - £200

Condition Report

Vase - the white glazed interior edge of the top aperture has a minor hairline to it, which could just be as a result of the overall fine crazing to the white glazed interior. There is a miniscule nick to the base edge corner of the relief green glazed panel which protrudes slightly from the base.

Mug - in good condition overall with no cracks, chips or restoration.
