LOT 1438

A Moorcroft Pottery Red Kites pattern vase, dated 2007, designed by Philip Gibson, impressed, painted and printed marks to base with signature, height 32cm.

Estimate: £150 - £250

Condition Report

There are some long craze lines to the glaze.

It looks as though there may have been an attempt to drill the vase through the base by the black 'Moorcroft Design Studio' mark, possibly to turn it into a lamp, as there is a spot of restoration here and over-spraying to the base as a whole.

A few very minor and light surface scratches to the glaze.
