LOT 2001

A mid-Victorian burr walnut pop-up piano top Davenport, the hinged top revealing a pull-out writing surface above carved supports and four side drawers, height 97cm, width 57cm, depth 57cm.

Estimate: £200 - £400

Condition Report

2001. The gallery is a replacement, as you can see small marks where another would have fitted. There is a small chip to the flange of one handle, one small marks and surface marks. The rear plinth section has some loose and raised veneer, and the bottom edges have a few minor chips to the veneer. Generally in good order throughout. The missing compartment does not pop-up when released but otherwise the mechanism works ok.
