LOT 2603

A late Victorian cut glass and brass Corinthian column table oil lamp by Messenger, fitted with an acid etched shade, height 70cm, together with another similar oil lamp with cranberry glass shade, height 74cm.

Estimate: £50 - £80

Condition Report

2603 - The Messenger has a few small surface knocks to the glass reservoir and some heavy verdigris and tarnish to the brass but is otherwise ok.

The other lamp has a badly cracked pink shade. It has a small surface chip to the underside edge of the reservoir and some tarnish to the brassware.
