

Furniture / Thursday, 9th October 2025 / Lot 2029

LOT 2029

A George III provincial pine floor standing corner cupboard, height 190cm, width 93cm.

Estimate: £60 - £100

Condition Report

2029 - Some overall minor surface scuffs and marks. The rear panels are later, as the cupboard was probably built into a corner originally. The top and bottom mouldings are also later and the surface varnish is a bit shiny.
