LOT 2074

A 19th century provincial walnut serving table, fitted with two frieze drawers, height 77cm, width 148cm, depth 64.5cm.

Estimate: £50 - £80

Condition Report

2074 - The table has overall woodworm to most surfaces. The majority of which appears to be historic and been filled with wax. The top and frieze does bow in the middle and the drawers, being quite heavily constructed, are not very easy to use. All this really adds to its rustic charm....or not!
