LOT 1017

An Omega Seamaster Polaris stainless steel and gilt gentleman's bracelet wristwatch with quartz movement, the signed black dial with digital-analog display, the screw-down case back with Seamaster logo, the link bracelet with signed foldover clasp, case width 3.2cm, with spare links and parts, grey Omega wallet, four booklets, further paperwork and international warranty card, dated '16.7.95'.

Estimate: £100 - £200

Condition Report

1017. The watch is in generally good cosmetic condition with no significant damage or repairs. Typical light surface scratches and wear. Dial in good clean condition. Bracelet and clasp in good working order. Digital display is working and the minute and hour hands move, but even after reading the instructions we cannot find a way of adjusting the minute and hour hands, or it is simply not working as it should.
