LOT 1005

A LeCoultre & Vacheron Constantin Galaxy Mystery 14k white gold circular cased gentleman's wristwatch, circa 1950s, the signed and jewelled 480/CW caliber movement numbered '1199444', the signed silvered Mystery dial with diamond set hour markers, the case back interior detailed 'Cased and Timed in U.S.A. by LeCoultre 615-208' and numbered '56714', the case back double signed 'Vacheron V Constantin - Le Coultre Watches Inc 14K Gold', case diameter 3.4cm, on a black leather strap, total weight 31.6g. Note: the Galaxy Mystery watch was the only collaboration where the names of both Vacheron Constantin and LeCoultre appear on a product. The Mystery dial remains a fascinating dial design that was used by both Jaeger-LeCoultre and Cartier.

Estimate: £1,000 - £1,500

Condition Report

1005. The watch is in generally good condition with no significant damage or repairs. Typical light surface scratches and wear to case and crystal/glass.

Dial in generally good order with some minor scratches and marks. Signatures to case back are good and clear. The diamond set hour markers all good.

The movement winds and adjusts smoothly and it is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
