LOT 1188

An early 20th century RAF 4A mahogany four-bladed propeller mantel timepiece, each blade cut down and the hub inset with a Smiths timepiece, the case impressed 'RAF 4A D2970 P8040 RE8' to one side and 'G1397N29' above 'DG T299OM LH' to the other, height 28cm, width 38cm.

Estimate: £50 - £100

Condition Report

1188. Propeller case in generally good condition, a little dusty and dirty, typical scuffs, wear and minor cracks around aperture.

Smiths timepiece winds and adjusts smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

Please note, drum case of the timepiece is loose in the centre of the propeller and there are no fixing points at present.
