LOT 540

An 18ct white gold and diamond bracelet, mounted with a row of princess cut diamonds, on a snap clasp, fitted with a safety chain, weight 14.2g, length 18.5cm, cased.

Estimate: £1,000 - £1,500

Condition Report

540. The bracelet is in generally good condition with no significant damage and no repairs. Clasp is in good working order with two safety clips and chain. Diamonds are bright and sparkly. Would probably benefit from a clean.

Difficult to be too precise with diamond carat weight due to the settings, so please note this is very approximate:

there are 80 princess cut diamonds, each approx 0.10ct, so total diamond weight is very approximately 8ct.
