LOT 2070

A Chinese black lacquered side cabinet, the top with an applied scene of hardstone objects above carved drawers and doors, all heightened in gilt decoration, height 84cm, width 62cm, depth 28cm.

Estimate: £500 - £700

Condition Report

2070. Some minor surface wear and some surface wear and some surface build-up on edge of one door, but generally in good order. The top should probably have a glass panel to cover the hardstone carving and the interior is missing a shelf. Probably around 1950 in date.
