LOT 383

A late Victorian silver scent bottle of spiral reeded flattened circular form with matching screw lid, London 1899 by Sampson Mordan & Co, weight 26g, height 5.5cm.

Estimate: £70 - £100

Condition Report

383. The bottle appears to be in good condition but unfortunately there are splits down the seam on both sides so it is not watertight, in fact it leaks quite badly. The screw cover closes tightly, no dents. Good clear marks.
