LOT 514

A gold, ruby and diamond ring, claw set with a cushion shaped ruby between cushion shaped diamond set three stone sides, indistinct marks, weight 2.8g, ring size approx J1/2.

Estimate: £180 - £220

Condition Report

514. Generally good condition, typical light surface scratches and wear. It was hallmarked but the ring has been re-sized which has now obscured the mark. Diamond are bright and sparkly. The ruby has a small chip to edge and typical surface abrasions, both only really noticeable under x10 magnification.
We would suggest the ring is late Victorian/Edwardian.
