LOT 725

A French Art Nouveau silver, plique-à-jour enamel, blue paste, imitation seed pearl and associated freshwater cultured pearl pendant in an openwork floral and foliate design, detailed '900 Depose', length 6.3cm, with a silver neckchain, detailed '835', length 41cm, total weight 8.2g, with an associated case.

Estimate: £150 - £250

Condition Report

725. The pendant is in generally good condition. Typical light surface scratches and wear, but no significant damage or repairs. Typical faint hairlines to some of the plique-à-jour panels. The principal oval blue paste has a chip to the top edge. Would benefit from a clean as back of setting a little dusty.
