LOT 2129

An 18th century North Italian walnut and marquetry inlaid bureau, the top, fall flap and two drawers inlaid with landscape scenes depicting figures involved in rural pursuits, all within ebonized borders, height 101cm, width 133cm, depth 62cm.

Estimate: £800 - £1,200

Condition Report

2129. General condition and overall appearance is reasonably good, however with a piece of this age there are lots of fairly minor faults to mention. The top panel has shifted down on the left, leaving a crack front to back where the carcass has moved. Numerous sections of veneer missing and some repairs throughout. Some evidence of minor woodworm, noticeable on ebonized edge on bottom drawer. Some other surface wear to ebonized surfaces.
