

LOT 1094

13th November 2025

Asian and Islamic Ceramics and Works of Art / Thu, 13th November 2025 / Lot 1094

## LOT 1094

A Chinese famille verte porcelain beaker, Kangxi style but later, painted with a man wading through water approaching a bird caught in a clam shell, height 10.1cm.

Estimate: £180 - £240

---

## Condition Report

1094. The beaker is in good condition, no chips, cracks or repairs. Some slight discolouration to glaze just below the rim. No warping or leaning. Some slight glaze blemishes but nothing too significant. No repainting or rubbing of any significance. Please note, the catalogue description 'Kangxi STYLE BUT LATER'.
