LOT 1112

A Chinese bronze censer, 20th century, of circular form, the flat rim engraved with birds and inscriptions, on tripod feet, weight 4267g, height 19.5cm, diameter 40.5cm.

Estimate: £50 - £80

Condition Report

1112. The censer is in generally good condition with no significant damage or repairs. Typical surface scratches and wear. Verdigris to interior, probably where used as a planter. It is fairly dirty so would benefit from a clean. All three riveted legs are sturdy with no movement and stands flat. The incised inscriptions to rim are crisp, the birds and foliage are not so crisply engraved/incised.
